WELCOME TO YOUR SERVICE PLAN

A preventative service plan gives you access to 24/7 mobile equipment maintenance, without the heavy service fees when your wheelchair or scooter breaks down. Our three packages help you save on service and parts to keep your mobility equipment in peak condition.

Our trained and experienced technicians are always available to answer your questions and meet your service needs. We go above and beyond to give you security and peace of mind. Our job is not finished until you are 100% satisfied.

We know equipment repairs are costly and can quickly add up. Our plans have taken into consideration all the costs associated with regular maintenance and repairs to give you a value added service without the unexpected expense.

- Save big on service visits anywhere in the Greater Vancouver Area Region
- Save on replacement parts
- Receive expert service from technicians who know the importance of mobility and independence
